Dear Marcial,

Thank you for your kindness and for caring enough to help children like Lizzie.

Lizzie, a triplet, was consistently behind her two brothers developmentally. Her concerned parents sought early intervention for her at Children's Specialized Hospital (CSH). Diagnosed with Autism Spectrum Disorder at age 2, she began extensive occupational and speech therapy at CSH. While therapy could be grueling at times, the positive results were encouraging and motivating.

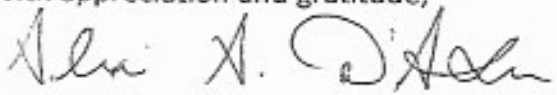

Today, at seven years old, Lizzie likes to jump on her pogo stick with her brothers, swim, bake and ice skate. She attends public school, participates in the Special Olympics and partakes in all the family activities. Her family is grateful to Children's Specialized Hospital for helping Lizzie to develop the life-skills she needs to succeed and thrive.

So thank you for your donation of \$2,500 received on 3/4/2020 — the generosity of donors like you make it possible for Children's Specialized Hospital to help kids like Lizzie reach their full potential.

I encourage you to contact me by phone 732-259-5394 or via email adanton@childrens-specialized.org to chat about further collaboration. Together, we can continue to make an impact on the lives of Children's Specialized Hospital patients and their families.

Again, we greatly appreciate your investment in Children's Specialized Hospital Foundation. You have made a real difference in the lives of the children we serve.
