Professor James Coll
will discuss the lives and
constitutions of Antonin Scalia
and Ruth Bader Ginsburg

**“Opposite sides of the Supreme Court
spectrum who demonstrated
cooperation and respect.”**

In this lecture, Professor Coll will examine two of the most important - *and controversial* - Supreme Court justices of the modern era. One heralded by the right and the other by the left, our analysis will look at their lives, their impact on the high court and some of their important opinions and dissents.
