

Dr. Alexander Magoun

The Stonebridge Men's Club is pleased to present Historian Dr. Alexander Magoun who will present fascinating histories of RCA Labs and 6 inventions that changed the world!

**7pm Monday, February 27, 2023
Clubhouse Ballroom**

Dr. Alexander Magoun, one of the leading authorities on the histories of RCA and consumer electronics from phonographs to televisions, will give a fascinating presentation on *RCA Labs and Six Inventions that Changed the World*. Dr. Magoun is an author, researcher, and speaker and has contributed close to 40 articles, chapters, and reviews to a wide variety of historical and medical journals. This includes several New Jersey publications, encyclopedias, and resource magazines. He is a past president of the Medical History Society, the American Osler Society and outreach historian for the IEEE History Center in Piscataway, New Jersey. Dr. Magoun's credentials are impressive, and this is one presentation that you do not want to miss!

For your snacking pleasure the club will be providing assorted pastries along with Coffee and Tea.
