**GERMANY'S
SHADOW WAR:
SPIES, SABOTAGE,
AND THE AMERICAN
HOMEFONT IN
WORLD WAR I**

Get ready for a gripping dive into the shadows of WWI, right here in America! Our lecture uncovers the shocking truth about German espionage & sabotage in US. Discover the clandestine battle waged by Imperial Germany's spy network, designed to cripple American industry & undermine neutrality. We'll expose chilling details of Black Tom Explosion, a catastrophic blast that rocked NY Harbor, Kingsland Explosion, another act of calculated sabotage. This isn't just history; it's a tale of undercover agents, daring plots, & desperate fight to protect a nation on the precipice of war. Don't miss this thrilling exploration of a forgotten front!
